Basic principles:
No woman wakes up saying: "God, I hope I don't get swept off my feet today."

Now, she might say, "This is a really bad time for me." Or something like, "I just need some space." Or my personal favorite: "I'm really into my career right now."

You believe that? Neither does she. You know why? Because she's lying to you, that's why. You understand me? Lying. It's not a bad time for her. She doesn't need any space. She may be into her career... but what she's really saying is, "Get away from me now." Or possibly, "Try harder, stupid." Well, which one is it?

60 % of all human communication is nonverbal-- Body language.
30% is your tone. So that means that 90% of what you're saying... ain't coming out of your mouth.

(Of course she's gonna lie to you. She's a nice person; she doesn't wanna hurt your feelings. What else is she gonna say? She doesn't even know you. Yet. Luckily, the fact is, that just like the rest of us... even a beautiful woman doesn't know what she wants-- until she sees it.

And that's where I come in.

Basic principles: No matter what, no matter when, no matter who...

any man has a chance to sweep any woman off her feet. Just needs the right broom.
